

A Closer Look At *Exclusive Buyer Agency*

Kerry Kidwell will present this innovative workshop for the Realtor[®] members of the PAAR. Don't miss this opportunity to start viewing the future!

This is not a basic agency course, this workshop has been designed specifically for the members of PAAR. The program will help attendees develop skills that will assist them in procuring Exclusive Buyer Agency Agreements. Something to think about ... we insist on Exclusive Right To Sell Contracts, why not Buyer's Contracts? Your time is too valuable to work for free anymore!
